

FIVE MINUTES TO HELP: 4-HOUR PROVIDER LEVEL TRAINING

For First Responders

Join us for an engaging and interactive training to help EMS and other first responders explore a different way of communicating with someone with substance use disorder (SUD).

Participants will:

- Gain an understanding of SUD and the stigma surrounding it
- Understand the types of medications used to treat opioid use disorder
- Develop motivational interviewing skills to build rapport with individuals treated for an overdose
- Discover county-specific SUD resources and best practices in linkage to care

When: Tuesday, March 24, 2026: 8:30am - 12:30pm

Where: Egg Harbor Township Court Room: 3515
Bargaintown Road, Egg Harbor Township, NJ 08234
